Learning Task 1: What Teaching Internship is All Abou<mark>t?</mark>

MY PERFORMANCE TASK

Performance Task 1

Complete the structured frame.

I need to undergo teaching internship because it is the better way for me, not only to know the process of being a future teacher but most especially is to enhance me more in practical teaching and experiences on the different scenarios in teaching world. Teaching Internship help me to observe and learn about the different strategies/techniques that guide me to handle my class in future and to practice also the right characteristics of being a teacher someday.

Performance Task 2

Among the 4 phase of internship, which seems difficult? Why?

Phase 1	Phase	2	Phase 3	Phase 4
Orientation	Observation	and	On site task	Final demonstration
Session	building			accomplishing exit
	relationship			forms

For me the difficult phase is on task which is phase 3 because this is the time of experiencing the different task and responsibilities of being a teacher. In this phase I need to learn, create, construct, participate and in doing the teaching task, so that it is the difficult part because I need to practice my self for me to become a role model and good influence to my future learner. Now that I am experiencing the different task, I can say that it is the difficult part because its time to be effective and efficient leader on the different category in terms of teaching and facilitating matters

Research on the following legal documents that apply to the teaching profession. Write your insights on the spaces provided.

Existing Laws in the Teaching	Insight
Profession	(How will you apply this in your profession)
	I will apply the Code of Ethics in my
Resolution 435 s. 1997 Code of	Profession using on how I operate the system
Ethics for Professional Teachers	of teaching and on how I cared and fulfill the
	needs of my future learners in terms of
	teaching them with a good basement and
	ethical principle to make my students learned
	not only on the knowledge itself but also on
	how is the character to be act and the code of
	ethics will really help me to process the
	teaching system in my future learners. I will
	use the Code of Ethics for me to always be
	aware in my action to procee my teaching
	profession.
	Using the Anti bullying Act, I will use this to
R.A 10627, Anti bullying Act of 2013	be easy in operating my class when my
	learners need a proper discipline that will
	change their attitudes or behaviors to their
	classmates and as a teacher this act will easily
	be my application to give proper approach
	for them to stop bullying in class.
	R.A 7877, Anti Sexual Harassment Act of 1995
R. A 7877, Anti Sexual Harassment	will one of my sword to protect and can be
Act of 1995	save the the sexuality and the dignity of my
	learners and for me as a teacher so that this
	legal document will provide me and my
	learners safety to avoid a sexual harassment
	in the classroom and will also safely teach the

information that they need to learn in every meeting. I will also use this to inform my learners on their negative action for them to stop it and focus on what they are about to learn. I will apply the Magna Carta for public R.A 4670, Magna Carta for Public teachers in giving a proper policy in my class School Teacher to have a good condition of managing my learners and surroundings. I will required my students to be a responsible enough using the task that assigned to them and also engaging them to all the lesson that they need to know. Teaching them with full respect and considerations in every valid reason and situation. As a second parent of my students in the school. I will always observe and monitor DepEd 40,s. Child Protection Policy their actions by providing first a monitor sheet and a limit time to go outside the classroom to avoid different violations or abuse anyone. And if my students didn't follow the given rules and policy, I will give them a proper punishment using the legal way of approaching or any other disciplinary action.

My Assessment Task

Choose the letter of the correct answer.

- 1. Why teaching internship important?

 - D. To instruct the interns to behave while in the cooperating school
- 5. Which tools/kit are/is needed to fully equip teaching interns to be better prepared as teachers?
 - A. Knowledge, attitudes, skills and habits
 - B. Knowledge, appreciation, system and habits
 - C. Knowledge, attitudes, system and habits
 - D. Knowledge, attitudes, skills and hands-on activities

My Learning Artifacts

Compose an acronym on the word PRINCIPAL. You may emphasize on his/her attributes/roles or importance on the teaching internship program.

Р	PASSIONATE
R	RESPONSIBLE
I	INDEPENDENT
N	NICE
C	CARING
I	Interesting
Р	POLITE
Α	Alert
L	LEADER

 Given the chance to become a principal someday, what qualities/ attributes must you process

If I will be a principal someday, I will be an organize principal because I want that all the things and needs of all the people in the school that I handle will always in order and base on legal basement. I will also be a passionate leader that all the staff, teachers, admin, students, and other personnel adapt and learned in managing their time when need to report in school.

Learning Task 4 : Getting Acquainted with My Cooperating Teacher

Understandings

Name of Cooperating Teacher Antia C. Nolasco

Degree: BSED

Area of Specialization: <u>Filipino</u>
Years of Teaching Experience: <u>30</u>

My Performance Task

Performance Task 1 Complete the matrix given below. Choose only three (3) of the most important expectation given by your CT.

of the most important expectation give	
Expectation of My cooperating	My Responsibilities
Teacher	
- Attend to assigned responsibilities	Comply with all the task given and
- Submit reports/forms on time	doing all reports and forms on time as
- Always prepared for the daily routine	well the submission of detailed lesson
- Submit one detailed lesson plan,	plan every week.
every week based from LAS	
- Submit assessment with TOS at the	Follow the schedule of submission in
end of the 3 rd quarter	TOS and grades and practice self
- Submit all the data needed in	confidence to achieving on it. Always
computation of grades	believe in my self in doing and facing
- Develop on confidence and skills in	the different responsibility to make it
working with students responsibilities	increase and successfully achieve.
should be increase	
- Be resourceful	Be creative in all time and in always
Could connect with the students and	in a proper action to build a good
use this relationship to best create a	relationship in doing the different task
good learning environment	given by the CT.

• What is the impact of these expectation to me as a teaching?

As a teaching intern, these expectation challenge me in a good way because all this expectation can really push and force me to be a better teacher in the future.

Cite the three (3) most important policies and procedures given by your CT to provide safe and secure learning environments to your learners.

Policies and Procedures	How do I respond to these? My plans of
	action
1. Observe safety protocol due to	Responding on it by following the
current condition.	protocol, rules and policies as well as the
Observe school rules and policies	regulation of the school.
2. Observe punctuality such as	Practice the time management by
- reporting to duty	reporting in school before time or on time.
- submission of needed	Submit the needed date on a given
data/forms/ reports.	schedule.
3. Observe Proper Time	Always on time and proper self
Management	management in doing daily routine.
- Prepared in Daily Routine	Preparing lesson plan every week and
- Preparation of Lesson Plan and	always be responsible in doing works when
Instructional Materials	reporting in cooperating school.
- Are more adaptable and flexible	
- Other related works	

What is the impact of these policies and procedures to student learning?

It helps me a lot in terms of practing and enhancing myself in the world of teaching. All the policies and procedures gives mo information and self stragies on how I manage all the paper works. As a student it also provide a good condition in being a good learner, because those policies and procedures gives me a self observation for me to handle all my actions and in my works.

My Assessment Task

Choose the letter of the correct answer.

- 1. Who is expected to act as a role model and serves as a mentor of student interns?
 - A. Cooperating teacher
 - B. Cooperating principal
 - C. Practicum supervisor
 - D. Practicum trainor
- 2. The cooperating teacher plays a crucial role in
 - A. Stating instructional outcomes
 - B. Providing activities
 - C. Constructing modes of assessment
 - D. Ensuring the success of the internship program
- 3. Which are other activities that the CT can provide?
 - I. Visit other classes at the same level
 - II. Get to know other teachers in the level
 - III. Get to know the school staff and becomes familiar with the schools resources
 - A. I only B. II only C. III only D. I, II and III
- 4. Which is the most important area where my CT can be help in my internship program?
 - A. Honing my skills as a teacher
 - B. Ensuring good classroom management
 - C. Providing a safe and secure learning environment
 - D. Developing my personal and professional competencies
- 5. To assess my performance as an intern, my CT shall______
 - I. Rate my teaching performance
 - II. Evaluate my personal qualities
 - III. Assess my communication skills
 - A. I only B. II only C. III only D. I, II and III

What is the impact of this letter to me as a teaching intern?

This letter make me feel so thankful and blessed, because I am one of a lucky student who gave an opportunity to write a letter in our cooperating teacher. It is a big chances for me to say thank you to the person who give us effort to learn, so that this letter is a big treasure for me to send my message in my cooperating teacher.

What was the reaction of my CT to this letter? (you may ask her/him to write on the space provided

My Cooperating teacher is thankful and happy because she received an unexpected letter. I also observed in her face that she's really happy to my letter. Giving letter to her also enhance our good relationship as a teacher and student.
